

PENNCRO ASSOCIATES to open Call Center in Dominican Republic.

The Call Center is located on the outskirts of capital city Santo Domingo in the Caribbean island nation's, Parque Cibernético de Santo Domingo, S.A.

Penncro Associates, Inc. today announced it has signed a definitive agreement to open a near-shore call center in the Dominican Republic during the third quarter of 2007. Penncro is a full service accounts receivable management firm based in Southampton, PA.

The Call Center is located on the outskirts of capital city Santo Domingo in the Caribbean Island nation's "Parque Cibernético de Santo Domingo, S.A." the Cyberpark focuses on serving the needs of businesses of a highly technical nature, including call centers, information services, software development, and computer design, as well as technology manufacturing. Located less than five minutes from the International Airport of Las Americas, the main airport in the country, the new call center will provide Penncro and its clients with 30% additional capacity immediately, or roughly 200 seats.
